& Competitive Intelligence: Market-Adjusted Pricing

The retail prices in this document have been calibrated against leading SA K-Beauty retailers (221+ products analysed). Products where local competitors sell below our calculated price have been repriced to remain competitive. The "SA Market" column shows what customers currently pay elsewhere in South Africa.

KEY INSIGHT: Brands with NO local competitor (Mediheal, COSRX, Beauty of Joseon) retain premium pricing. Overlapping brands are priced 10-15% above local market rates to maintain margin while remaining competitive.

+P High-Ticket Special Requests

The following high-value products require individual sourcing quotes with special attention to quality assurance and shipping insurance.

Medicube Age-R Booster Pro

SA Competitor Price: R6,799 (leading SA retailer)

International Price: \$305-\$322 USD

Target COGS: R3,900-R4,875 landed (approx. \$200-\$250 wholesale)

Our Retail Price: R5,999

Target Margin: ~25-40%

Notes: Available in pink, black, white. The "Mini" version sells for R2,950-R2,999. This is a high-ticket hero product — single sales generate R1,500+ margin. Requires bubble wrap + insurance.

Medicube Booster Pro Special Edition

SA Competitor Price: R6,999 (leading SA retailer)

International Price: ~\$330 USD

Target COGS: R4,200-R5,000 landed

Our Retail Price: R6,499

Target Margin: ~25-35%

Notes: Special edition colorway. Source alongside the standard Booster Pro.

Sourcing Notes & Requirements

Fulfilment Model: Single-unit dropship only. Every order is one customer, one shipment. No bulk purchasing at this stage.

Ghost Shipping: All packages must be blind-shipped. Zero supplier branding, zero external invoices, zero Chinese/HK labels.

In-Box Branding: We will provide digital assets for branded packing slips. Please confirm your ability to include one insert per parcel.

Dispatch SLA: 48-72 hour dispatch for in-stock SKUs. For made-to-order items, please quote expected lead time per product.

Order Consolidation: When a customer orders 3-6 items (routine bundle), pack all items into a SINGLE parcel. Do NOT ship separately per item.

INCI Compliance: All products must ship with valid INCI Ingredient Lists in English to prevent Port Health seizures (R1,500/incident).

SAHPRA: No banned substances per SAHPRA cosmetic ingredient schedule. Proper batch/lot numbers required for traceability.

HS Code: Skincare falls under HS 3304 (Beauty/Skincare preparations) at ~20% MFN duty. Confirm classification per product.

Customs Clearance: Prioritise shipping lines with established clearance channels to minimise per-parcel delays.

Exchange Buffer: Include a 3% buffer for USD/ZAR volatility in all landed cost quotes.

Insurance: Mandatory insurance on glass-bottled items, liquids >100ml, and all high-ticket items (>R2,000 retail).

Payment Terms: All orders prepaid at time of placement via the Teemdrop platform.

Secondary Address: Failed deliveries or consolidated shipments should route to: 17 Calendula Road, Malabar, 6020 Port Elizabeth.

Communication: WhatsApp for urgent ops: +27 69 325 9748. Email for non-urgent/formal correspondence.

Growth Path: As volume proves out (20+ orders/week), top sellers will transition from dropship to pre-purchased inventory.
